MEMORANDUM

Date: March 6, 2023

To: Aldermen

From: Andrew Goczkowski, Mayor

Cc: Michael G. Bartholomew, City Manager

Subject: Proclamation

At the beginning of the March 6, 2023 City Council Meeting, we will be issuing a Proclamation declaring the month of March as Women's History Month.

OFFICE OF THE MAYOR

CITY OF

DES PLAINES, ILLINOIS

- WHEREAS, in March, we recognize Women's History Month, a celebration of the accomplishments of women across the world, and acknowledge their courage and struggles to attain the same fundamental human rights as men that still exists to this day; and
- WHEREAS, women of all races and ethnicities have advanced society in the realms of abolition, voting rights, labor rights, and civil rights and have bravely given their lives in honor of protecting these profound rights they fought so hard to achieve; and
- WHEREAS, the national theme of Women's History Month in 2023 is "Celebrating Women Who Tell Our Stories," a recognition of women, past and present, who have been active in all forms of storytelling and have devoted their life and passion to uplifting the unheard, pursuing truth, and sharing culture and heritage; and
- WHEREAS, during Women's History Month, the Des Plaines community is encouraged to honor the countless contributions and achievements made by women to our nation's economic, cultural, scientific, spiritual, and political developments; and
- WHEREAS, the City will always seek to honor women for their admirable contributions to society through large and small measures every day until the times of undervaluing the role of women in society are no longer.

Now, therefore, I, ANDREW GOCZKOWSKI, MAYOR OF THE CITY OF DES PLAINES, do hereby proclaim March as

WOMEN'S HISTORY MONTH

Dated this 6th day of March, 2023.

From: John T. Carlisle, AICP, Director of Community and Economic Development **

Subject: Distribution of Park Land Fee-in-Lieu Contribution for Halston Market Development

(1050 E. Oakton Street) to Des Plaines Park District

Issue: On April 4, 2022, the City Council approved Ordinance Z-9-22 for a Final Plat of Subdivision and Final Planned Unit Development (PUD) for the Halston Market development at 1050 E. Oakton (also 1000-1100 Executive Way and 1555 Times Drive). The Ordinance approved a \$215,621 fee in lieu of park land dedication. The Des Plaines Park District has requested that the Council approve the release of funds.

Analysis: Halston Market (125 townhouse units currently under construction by M/I Homes) is subject to the dedication of park lands or fee in lieu requirement in the Subdivision Regulations (Chapter 4 of Title 13 of the City Code). Developers of residential subdivisions or PUDs that result in 15 or more units must dedicate park land, pay a fee in lieu, or provide a combination of both. M/I Homes did not propose dedicating land but instead requested credits for two private green space and recreation areas, which collectively totaled approximately 24,000 square feet. The Council approved these credits, which resulted in a \$215,621 fee.

Site work and preliminary construction was permitted in Spring 2022, when the City collected the fee. Pursuant to Section 13-4-6, the City informed the Des Plaines Park District, which has jurisdiction over the subject property and its service area, of the availability of funds and need to verify use. The District's executive director provided the attached letter, which states the intention to use the funds for curbs and new playground equipment with accessibility enhancements at Winnebago Park (1218-1250 Margret Street). Winnebago Park lies within a .5-mile service area of the development site.

City Council Action: If the Council accepts the attached request, it may approve Resolution R-57-23, authorizing a distribution of \$215,621 to the Des Plaines Park District for improvements to Winnebago Park.

Resolution

R-57-23

January 3, 2023

City of Des Plaines 1420 Miner Street Des Plaines, IL 60016

On behalf of the Des Plaines Park District, I am providing an explanation of the usage and allocations for the "in lieu of land donation fees" of \$215,621 for the Halston Market. These fees are designated for the construction costs of installation of new playground footprint, curbs and ADA Playground Equipment at Winnebago Park. This park located less than a half mile from the new development, Halston Market, will serve as this new community's neighborhood park. This park is the next on the Capital Improvement Plan for renovation as it is our oldest playground. In the future we look to expand the existing footprint of the park with the purchase of 1053 E Algonquin Road.

We will be using the park contribution fees from this development to cover a portion of the roughly \$250,000 total cost of the new playground development at Winnebago Park. Without the \$215,621 in developer fees the Des Plaines Park District would not be able to complete this large scale capital project. We are proud of this park and how these improvements have offered more to our residents. Thank you for bringing the development to Des Paines and providing recreational opportunities for all the residents in the area.

Thank you for your time and support.

13-4-6: DISTRIBUTION OF CASH CONTRIBUTIONS TO PARK DISTRICTS:

The cash contributions in lieu of land, including interest earned thereon, shall be held in trust by the City, for use in acquisition of land for park and recreational purposes which will be available to serve the immediate or future needs of the residents of that subdivision or development or for the improvement of other existing park or recreational facilities which already serves such needs. Moneys deposited with the City for the use and benefit of the park districts with the provision of this chapter shall be paid to the park district that has jurisdiction over the contributing subdivision or development upon request, at the time a designation for the use of the funds is approved by the City Council.

The City shall annually, at the end of its fiscal year, inform by mail the applicable park district what amount is due to that district. Upon receiving verification from each park district, the City shall proceed with payment of the funds upon approval by the City Council as soon as practicable.

Prior to December 31 of each year, each park district receiving funds under this chapter shall annually make a written report to the City detailing the amount of funds received and how such funds were expended. (Ord. Z-34-16, 5-1-2017)

RESOLUTION R - 57 - 23

A RESOLUTION APPROVING THE RELEASE OF PARK LAND DEDICATION FEE-IN-LIEU FUNDS FOR THE HALSTON MARKET RESIDENTIAL DEVELOPMENT AT 1050 EAST OAKTON STREET, 1000-1100 EXECUTIVE WAY, AND 1555 TIMES DRIVE.

WHEREAS, the City of Des Plaines ("City") is an Illinois home-rule municipal corporation pursuant to Article VII, Section 6 of the Illinois Constitution; and

WHEREAS, M/I Homes of Chicago, LLC ("Developer") applied for approval of a Final Plat of Subdivision and Conditional Use for Final Planned Unit Development ("Requested Relief") to allow the construction of a new single-family attached townhouse development ("Development") on the property commonly known as 1050 East Oakton Street, 1000-1100 Executive Way, and 1555 Times Drive in Des Plaines ("Property"); and

WHEREAS, on April 4, 2022 the City Council approved Ordinance Z-9-22, which approved the Requested Relief for the construction of the Development; and

WHEREAS, Chapter 4 of Title 13 of the City Code of the City of Des Plaines, as amended ("City Code") imposes land dedication requirements upon new residential developments in order to satisfy the increased demands placed upon park and recreational facilities attributable to the new residential developments ("Land Dedication Regulations"); and

WHEREAS, pursuant to the Land Dedication Regulations and Ordinance Z-9-22, the Developer paid a fee in lieu of park land dedication in the amount of \$215,621.00 ("Fees in Lieu"); and

WHEREAS, the Property is within the service area of Winnebago Park, as defined by the Land Dedication Regulations; and

WHEREAS, the Don Miletic, executive director of the Des Plaines Park District ("Park District"), has submitted a letter to the City of Des Plaines City Council requesting the distribution of the Fees in Lieu and verifying that the Park District will use the Fees in Lieu for improvements to Winnebago Park ("Proposed Improvements"); and

WHEREAS, the City Council has determined that is in the best interest of the City to authorize distribution of the Fees in Lieu to the Park District for the Proposed Improvements; and

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF DES PLAINES, COOK COUNTY, ILLINOIS, in the exercise of its home-rule powers, as follows:

SECTION 1: RECITALS. The foregoing recitals are incorporated into, and made a part of, this Resolution as findings of the City Council.

SECTION 2: AUTHORIZATION OF DISTRIBUTION OF FEES IN LIEU. City staff is authorized to release an amount equal to the Fees In Lieu to the Park District for the Proposed Improvements.

SECTION 3: EFFECTIVE DATE. This Resolution shall be in full force and effect from and after its passage and approval according to law.

Subject: 2023 Invest in Cook Call for Projects -

Preliminary Engineering for Devon Avenue Multi-Use Path Project

Issue: The Cook County Department of Transportation and Highways (CCDOTH) recently announced a call for projects for the *Invest in Cook* grant program with a March 17, 2023 application deadline.

Analysis: The Invest in Cook grant program offers funding support for transportation initiatives in the County. The City, with the Village of Rosemont, seeks to apply for Invest in Cook funds for preliminary engineering costs for the construction of a 10'-wide multi-use bicycle/pedestrian path along Devon Avenue between Stillwell Drive and Des Plaines River Road in order to connect to the Des Plaines River Trail. Additional elements include ADA compliant crosswalks and pedestrian signal upgrades at all key road crossings.

Total preliminary engineering costs are estimated to be \$150,000. The total grant amount requested for preliminary engineering is \$100,000 with the local share being \$50,000. This amount would be split between the City and the Village of Rosemont (co-sponsor) for \$25,000 each.

Recommendation: We recommend adoption of the attached resolution in support of the application for Invest in Cook grant funding for preliminary engineering costs for the construction of a multi-use path along the north side of Devon Ave.

CITY OF DES PLAINES

RESOLUTION R - 58 - 23

A RESOLUTION AUTHORIZING AN APPLICATION FOR AN INVEST IN COOK PROGRAM GRANT FROM COOK COUNTY.

WHEREAS, the Cook County Department of Transportation and Highways ("Cook County") announced a round of Invest in Cook program funds to cover the cost of planning and feasibility studies, engineering, right-of-way acquisition, and construction associated with transportation improvements sponsored by local and regional governments and private partners for improvements consistent with the five priorities of Connecting Cook County, Cook County's first long range transportation plan ("Invest in Cook"); and

WHEREAS, based on community feedback and public demand, and consistent with the 2011 Active Transportation Plan and the 2019 Comprehensive Plan, the City has identified a need to construct a pedestrian and bicycle sidepath along Devon Avenue to connect to the Des Plaines River Trail and Des Plaines River Road ("**Project**"); and

WHEREAS, the City desires to apply for a Invest in Cook grant to pay for up to \$100,000 of the preliminary engineering costs for the Project ("*Grant Funding*"); and

WHEREAS, if the Grant Funding is awarded, the City will be responsible for providing a 50 percent match of the \$50,000 local share with the Village of Rosemont (co-sponsor) for the preliminary engineering costs for the Project ("*Local Share*"); and

WHEREAS, the City Council has determined that it is in the best interest of the City to apply for the Grant Funding;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Des Plaines, Cook County, Illinois, in the exercise of its home rule powers, as follows:

SECTION 1: RECITALS. The foregoing recitals are incorporated into, and made a part of, this Resolution as findings of the City Council.

MEMORANDUM

Date: January 25, 2023

To: Michael G. Bartholomew, City Manager

From: Dave Anderson, Chief of Police

Subject: 2 Year Extension with Andy Frain Services

Issue: In 2022 the city contracted with Andy Frain Services to provide crossing guards at 25 locations within Des Plaines. Community Consolidated School District 62 entered into an agreement with us to pay for half of the costs. The outsourcing of the crossing guard program proved successful in 2022 and the agreement with Andy Frain Services has Expired.

Analysis: Andy Frain Services was selected to provide crossing guard services after a competitive bidding process. Before the arrangement, with Andy Frain, the City averaged 1-2 unstaffed crossing guard posts per day. In 2022, there were fewer than 5 instances of a post not being staffed during the entire year. Andy Frain is agreeing to enter into a 2-year agreement to continue providing this service.

Recommendation: I recommend that the City Council approve entering into a 2-year agreement with Andy Frain Services, Inc of 761 Shoreline Drive, Aurora IL 60504. Not to exceed the amount of \$697,474.00

DP-Resolution Approving a First Amendment to Contract with Andy Frain Services for Crossing Guard Services

AMENDMENT TO SERVICE AGREEMENT

Effective January 1, 2023 ("Effective Date"), this Amendment ("Amendment") to Service Agreement amends that certain Service Agreement made by and between Andy Frain Services, Inc. ("Contractor") and **City of Des Plaines, an Illinois home rule municipal corporation** ("Customer"), as follows:

WHEREAS, Customer and Contractor entered into that Service Agreement effective November 10, 2021 (the "**Agreement**") setting forth the terms and conditions under which Contractor provides Customer certain security services and event personnel for the purpose of performing certain security services (as defined in the Agreement);

WHEREAS, Customer and Contractor now wish to amend the Agreement by entering into this Amendment with such amended terms to commence as of the Effective Date; and

WHEREAS, any term not defined in this Amendment shall have the same meaning ascribed thereto in the Agreement.

NOW, THEREFORE, in consideration of the mutual agreements and promises contained herein, Customer and Contractor hereby agree to amend the Agreement as delineated below commencing as of the Effective Date:

- 1. **Term**. The Parties agree that Section 1B to the Agreement will be modified, effective January 1, 2022, extending the Term by two (2) years, with an expiration date of December 31, 2024.
- 2. **Rates**. The Parties agree that Section 2 and Exhibit B to Agreement will be modified, effective January 1, 2022, as follows:

MEMORANDUM

Date: February 8, 2023

To: Michael G. Bartholomew, City Manager

From: Dorothy Wisniewski, Assistant City Manager / Director of Finance

Subject: 2023 Appropriation Ordinance

Issue: In accordance with the Illinois Compiled Statutes (ILCS), the City is required to pass an annual appropriation ordinance within the first quarter of its fiscal year. This appropriation ordinance specifies the sums of money deemed necessary to defray all expenses and liabilities for the calendar year 2023.

Analysis: Per 65 ILCS 5/8-2-9, a public notice of a public hearing regarding the Appropriation Ordinance is required and must be published at least 10 days prior to the adoption of the Appropriation Ordinance. In addition, the public notice must be published in a newspaper of general circulation within the municipality. The public notice will be published in the Journal and Topics newspaper on Wednesday, February 8, 2023, thus satisfying both requirements (a copy of the notice is attached).

Requirements of the Appropriation Ordinance: The appropriation ordinance serves as a limit on what may be spent during the current fiscal year. The purpose of the appropriation ordinance is to appropriate such sums of money as the municipality deems necessary to defray all of its necessary expenses and liabilities. The ordinance is to be set up by objects and purposes for which each line item of the appropriation is made, and each appropriation must be for a specific dollar amount.

The purpose for the required specificity in the appropriation ordinance is to inform the taxpayers of the purposes for which the municipal revenues are to be expended since no fund can legally be expended for any purpose other than that for which it was appropriated. The Supreme Court has indicated that this right of the taxpayer is a substantial right of which the taxpayer may not be deprived. However, the courts have also indicated that municipalities are not required to specify every conceivable item on which they may spend money as long as the purposes indicated are sufficiently specific to advise the taxpayer of the type of expenditure to be made so that the taxpayer can make further specific inquiries with regard thereto if desired.

Once the appropriation ordinance has been adopted, the Illinois Municipal Code provides that no contract shall be made or expense incurred unless an appropriation previously has been made concerning that contract or expense. The Code further provides that any contract made or expense incurred in violation of this provision is absolutely void (not merely voidable) and that no money of the municipality can be spent on account thereof (65 ILCS 5/8-1-7). This provision has been adhered to strictly by the courts.

There are exceptions to this previous appropriation rule, and these are briefly outlined below:

- 1. Special Petition/Referendum Appropriations may be made by special petition or referendum (See 65 ILCS 5/8-2-9).
- 2. Before Passage Authorizes expenditures to be made pending the passage of the Appropriation Ordinance (See 65 ILCS 5/8-1-7).
- 3. Supplemental Appropriation A municipality may adopt without further hearing a supplemental appropriation ordinance in an amount not to exceed the aggregate of any additional revenue that becomes available to the municipality or is estimated to be received by the municipality after the adoption of the appropriation ordinance. Also fund balances available when the annual appropriation ordinance was adopted but that were not appropriated at that time may also be included within a supplemental appropriation ordinance. However, the supplemental appropriation ordinance can apply only to the new revenues.
- 4. Transfer By a two-thirds vote of all the corporate authorities, a municipality may make transfers of any amounts appropriated for one object or purpose to another object or purpose. No approval is necessary, however, for transferring appropriations for different line items within categories of objects and purposes. No such transfer may be made that would reduce the balance of the appropriation below an amount sufficient to cover "all obligations incurred or to be incurred against the appropriation" (See 65 ILCS 5/8-2-9).
- 5. Court Order As a general exception, a municipality may separately appropriate to pay a judgment ordered by a court of competent jurisdiction.
- 6. Emergency The Illinois Municipal Code provides one additional manner in which a municipality that has underestimated its needed appropriations may respond to community needs. In the event of an extreme emergency, the corporate authorities by a two-thirds vote may make additional appropriations for the purpose of making improvements or restoration as a result of any accident or casualty that took place after the annual appropriation ordinance was passed or to meet an unforeseen emergency after passage of the appropriation ordinance. "Emergency" is specifically defined as "a condition requiring immediate action to suppress or prevent the spread of disease, or to prevent or remove imminent danger to persons or property." This Section has limited application and cannot be used to correct errors or mere oversight made in the appropriation ordinance and process (See 65 ILCS 5/8-1-6).
- 7. Bond Issue Expenditures from a bond issue or special assessment can be made because the authorizing ordinances themselves are considered "appropriations."

Finally, in order to avoid the problem of accurately forecasting 100 percent, even in general, the various items on which funds may be expended for the entire fiscal year, the courts have approved the use of an appropriation for contingencies. Thus, the corporate authorities need not follow the cumbersome route of first transferring from the contingency fund to another line item before paying out for unforeseen expenses. However, there is a limitation in that the contingency appropriation cannot exceed ten percent (10%) of the total budget. While this rule applies specifically to Budget-Officer municipalities, it is recommended that non-budget officer municipalities (such as the City) not exceed this rule as well.

The 2023 Appropriation Ordinance for the City of Des Plaines is \$220.5 million, whereas the 2023 Budget for the City of Des Plaines is \$174.1 million. The difference of \$46.4 million is comprised of the following items:

• \$11.2 million related to Interdepartmental transfers of which is included in the budget document as a separate column and not included in the \$174.1 million total above.

- \$6.5 million for a Contingency Reserve on the General Fund, Capital Projects Fund, Equipment Replacement Fund, Information Technology Replacement Fund, Facilities Replacement Fund and the Water/Sewer Fund. The \$6.5 million was arrived at by taking 5% of each of the respective expenditure totals per Fund. As mentioned previously, 10% of the total Budget is allowed in terms of a contingency appropriation, (i.e., a maximum of \$17.4 million for the City of Des Plaines), however, staff believes 5% of the above mentioned funds should be sufficient to cover any unforeseen flood or storm events, as well as be able to expend any unanticipated Grant revenues received in the upcoming year.
- \$9.4 million for the Des Plaines Public Library, which the City is required to appropriate funds for and that have not been included within the 2023 Budget total.
- \$16.3 million for Police and Fire Pensions (\$8.5 million for the Police Pension and \$7.8 million for the Fire Pension). This item is included within the General Fund expenditures of the Appropriation Ordinance to be in line with the audit. In addition, per the Appropriation Ordinance guidelines, the Police and Fire Pension expenditures need to be listed separately as indicated on the attached Ordinance therefore creating a double counting effect.
- \$265K of additional expenditure requests include \$250K transition of dispatch services, \$15K for Fire Station #61 completion of build-out.
- \$2.7 million of carry-over items included in the 2023 Appropriation partly comprised of \$20K for Media camera replacement and installation, \$718K for additional alley improvements in the Motor Fuel Tax Fund, \$768K for additional alley improvements in the Grant Projects Fund, \$1.1M for CIP improvements under Capital Project Fund, \$106K for street and utility improvements.

Recommendation: I recommend the City Council pass and adopt the 2023 Appropriation Ordinance.

Des Plaines Youth Commission

Good Afternoon,

I am very interested in continuing with the Des Plaines Youth Commission as a commissioner. It has been a privilege to represent our community and I look forward to continuing in that role. I feel that my role at Maine West and the Des Plaines Park District provides me with a connection to students. Building trust and respect with them validates their importance in the community and encourages them to be involved.

I am very excited about the growth of the commission and the opportunity to interact with other community organizations. We have many wonderful organizations willing to make our community one that offers youth and their families valuable experiences and connects them to resources available to them.

Mayor Goczkowski, we are interested in getting feedback on things that you would like to see done in the city. We had touched on this a few months ago when Bob and I met with you. Also, we do have a powerpoint presentation about the DPYC and are willing to have our youth share that at a city council meeting. Please let me know so I can have students lead this.

Thank you so much for your time and have a wonderful weekend.

Youth Commission Re-Appointment

Mr. Mayor,

It has recently come to my attention that my commission on the Des Plaines Youth Commission has expired. I would very much like to continue with them and respectfully ask for you to re-appoint me.

I have served on the commission for the past 23 years and feel that we as a group have done some great things for kids and families in Des Plaines over the years.

Just a little additional back ground on myself to help with your decision on a future appointment. In addition to the DPYC I am also the President of the D62 Board of Education and have served on the board for the last 12 years. I was formerly the President of the Athletic Boosters at Maine West and Cub/Scout Master at both Pack 14 and Troop 6 of Boy Scouts of America in Des Plaines.

In my career I am a Director in the Finance Division of CME Group (formerly Chicago Mercantile Exchange) and have worked there for the past 33 years. I have 23 year old twins that were raised in Des Plaines and have coached football, baseball, basketball and soccer as well.

If you need any additional information please feel free to contact me

Thank you in advance for your consideration.

Youth commission membership reinstatement

Dear Mayor Goczkowski,

I have been a member of the Des Plaines Youth Commission for many years. I have been proud to represent the bilingual community and have had the opportunity to dialogue and communicate with them on activities and events available to them. All of our events are free and we encourage everyone to participate. Families can come together and get involved with arts and crafts, writing cards of appreciation, visiting community resources, and making an investment in our community.

One thing that I love is seeing the excitement in the eyes of the children, as they join the festivities.

They are presented with the opportunity to have fun and become engaged with others. Knowing that the Youth Commission, with our Youth Advisory Board, implements these times is very special to me.

I am looking forward to continuing as a commissioner and would appreciate being reappointed.

Thank you so much for your consideration.

Sincerely, Josephine Al-Naemy MINUTES OF THE REGULAR MEETING OF THE CITY COUNCIL OF THE CITY OF DES PLAINES, ILLINOIS HELD IN THE ELEANOR ROHRBACH MEMORIAL COUNCIL CHAMBERS, DES PLAINES CIVIC CENTER, TUESDAY, FEBRUARY 21, 2023

MINUTES OF THE PUBLIC HEARINGS HELD IN THE ELEANOR ROHRBACH MEMORIAL COUNCIL CHAMBERS DES PLAINES CIVIC CENTER, TUESDAY, FEBRUARY 21, 2023

PUBLIC HEARING/ CONSIDER MAKING APPROPRIATIONS TO DEFRAY THE EXPENSES OF THE CITY FOR MUNICIPAL PURPOSES FOR THE FISCAL YEAR BEGINNING JAN 1, 2023 AND ENDING DEC 31, 2023 Ordinance

M-36-22

Mayor Goczkowski called the Public Hearing for reconsideration of Ordinance M-6-23, an ordinance Making Appropriations To Defray The Expenses Of The City Of Des Plaines, Cook County, Illinois For Municipal Purposes Designated As The "Annual Appropriation Ordinance" For The Fiscal Year Beginning January 1, 2023 And Ending December 31, 2023, to order at 7:01 p.m.

Assistant City Manager/Director of Finance Wisniewski reviewed a memorandum dated February 8, 2023.

In accordance with the Illinois Compiled Statutes (ILCS), the City is required to pass an annual appropriation ordinance within the first quarter of its fiscal year. This appropriation ordinance specifies the sums of money deemed necessary to defray all expenses and liabilities for the calendar year 2023.

The appropriation ordinance serves as a limit on what may be spent during the current fiscal year. The purpose of the appropriation ordinance is to appropriate such sums of money as the municipality deems necessary to defray all of its necessary expenses and liabilities. The ordinance is to be set up by objects and purposes for which each line item of the appropriation is made, and each appropriation must be for a specific dollar amount.

The purpose for the required specificity in the appropriation ordinance is to inform the taxpayers of the purposes for which the municipal revenues are to be expended since no fund can legally be expended for any purpose other than that for which it was appropriated.

Staff recommends the City Council pass and adopt the 2023 Appropriation Ordinance.

Moved by Chester, seconded by Oskerka, to Approve the Ordinance M-6-23, AN ORDINANCE MAKING APPROPRIATIONS TO DEFRAY THE EXPENSES OF THE CITY OF DES PLAINES, COOK COUNTY, ILLINOIS FOR MUNICIPAL PURPOSES DESIGNATED AS THE "ANNUAL APPROPRIATION ORDINANCE" FOR THE FISCAL YEAR BEGINNING JANUARY 1, 2023 AND ENDING DECEMBER 31, 2023.

Motion declared carried.

Mayor Goczkowski adjourned the Public Hearing at 7:03 p.m.

PUBLIC COMMENT

Resident Phil Rominski asked about the status of a possible future farmer's market; he asked about the possibility of an alley being extended in the second ward; he questioned the measures regarding dust mitigation for building demolition and construction; he asked what electric, water, and life safety measures are in place when determining building occupancy; and he asked about the drainage required for flat roofs.

City Manager Bartholomew responded regarding a possible future farmer's market.

Mayor Goczkowski mentioned other possible events the City is considering.

Alderman Moylan addressed the question regarding the possibility of an alley being extended in the second ward.

Director of CED Carlisle and City Manager Bartholomew addressed the question regarding dust mitigation for building demolition and construction,

Fire Chief Anderson addressed the question regarding measures considered when determining building occupancy.

City Manager Bartholomew addressed the question regarding drainage required for flat roofs.

Resident Deb Lester asked if the train, which derailed in Ohio, traveled through Des Plaines; and she stated the City and residents should be educated for an emergency situation on the freight lines.

Mayor Goczkowski stated the City is unaware if that train travelled through Des Plaines, but he assumes there are hazardous materials that travel the City freight lines on a regular basis.

<u>ALDERMAN</u> ANNOUNCEMENTS

Alderman Moylan thanked Public Works for purchasing an EV cargo van, and noted the new City owned Romano's building will be demolished next week.

Alderman Zadrozny thanked City staff for helping resolve resident issues, and he asked Police Chief Anderson and Fire Chief Anderson about safety procedures in place for a possible train derailment.

Police Chief Anderson briefed the City on safety plans in place for a possible train derailment.

Alderman Chester mentioned Patty Sayad, wife of former Alderman Sayad passed away; he extended his condolences and stated visitation will be Saturday, February 25, 2023 at St. Zachary from 9:00 a.m. to 11:00a.m.

Alderman Smith expressed condolences to the family of Patty Sayad, She also asked City Manager Bartholomew about the number of data centers that have expressed interest in building in the City.

City Manager Bartholomew stated he will put together a raw number of data centers.

Page 3 of 12 2/21/2023

Alderman Ebrahimi echoed what Alderman Zadrozny stated about the staff, and gave this gratitude to the staff.

MANAGER'S REPORT

City Manager Bartholomew stated that at previous meeting the City Council postponed an item regarding a 1700 Higgins Rd 7B tax incentive which was supposed to appear on tonight's agenda; however, the petitioner asked for an extension, so the item will be deferred to the next City Council meeting. He also stated that the petitioners of Item 2b on tonight's agenda asked for a postponement, so action will be needed to postpone to the next meeting.

CONSIDER AUTHORIZING A SECOND

Director of Community & Economic Development Carlisle reviewed a memorandum dated February 9, 2023.

REDUCTION OF THE LETTER OF **CREDIT FOR PUBLIC IMPROVEMENTS** Initially on the City Council's agenda for the December 19, 2022 meeting, consideration of a request to reduce the performance security for required public improvements for the Bayview-Compasspoint mixed-use development was deferred. Based on a revised request from the developer and re-inspection, the Council is once again asked to consider the request, modified to a lesser amount.

AT 1425

ELLINWOOD ST

Resolution R-219-22

1425 Ellinwood Apartments, LLC is the developer of the mixed-use residential, commercial, and parking development under construction at 1425 Ellinwood. The developer has submitted a request for a second reduction of the subdivision improvement performance security for public improvements.

Page 6 of 12 2/21/2023

In October 2020, Bayview-Compasspoint posted a letter of credit for an amount is equal to 125 percent of the estimated cost to complete the public improvements. On October 4, 2021 via Resolution R-158-21, the City Council approved a reduction of the letter of credit to \$485,477.50 after the completion of water main replacement along Ellinwood. The developer has now have completed most streetscaping work along the frontages adjacent to the project (Ellinwood, Lee Street, and Graceland Avenue), with grates along Ellinwood and crosswalk pavers at the Ellinwood-Lee and Ellinwood-Graceland intersections.

Therefore, the developer requests reducing the amount of the letter of credit accordingly. This reduction amounts to \$285,477.50, leaving a balance of \$200,000. Previously the developer had requested a reduction to a balance of \$96,189.75. The Public Works and Engineering Department (PWE) has inspected the improvements and concurs with the reduction to \$200,000.

An additional reduction will be requested in the future, concurrent with a request for the City to accept the improvements as public property. This future action would also begin the maintenance warranty period pursuant to City Code and the redevelopment agreement. Approval of Resolution R-219-22 does not fully release all funds in the security nor does it accept the improvements.

Alderman Smith expressed safety concerns about the building drainage system.

Resident Phil Rominski expressed various safety issues he has noticed outside of the building and inside the public garage located in the building.

Resident Deb Lester also expressed safety concerns regarding the building drainage system, and she inquired about the amount of the construction bond for the building.

Moved by Moylan, seconded by Oskerka, to Approve the Resolution R-219-22, A RESOLUTION AUTHORIZING A SECOND REDUCTION OF THE LETTER OF CREDIT FOR PUBLIC IMPROVEMENTS FOR THE BAYVIEW COMPASSPOINT MIXED-USE DEVELOPMENT AT 1425 ELLINWOOD STREET.

CONSIDER
APPROVING AN
AMD TO AN
EXISTING
CONDITIONAL USE
PERMIT FOR AN
AUTO BODY
REPAIR USE AT
1300 MINER ST
Ordinance
Z-2-23

Director of Community & Economic Development Carlisle reviewed a memorandum dated February 8, 2023.

The petitioner, Melbin Ordonez, has requested an amendment to the existing Conditional Use Permit to expand the existing auto body repair facility, Blessing Automotive LLC, at 1300 Miner Street into Suite 3 of the multi-tenant building located on the subject property. The existing one-story, 9,139-square-foot building is made up of three tenant spaces, all of which have been utilized for automotive repair uses in the past. Suites 1 and 2 of the building, or the two end spaces, have been occupied by Blessing Automotive since 2020 and C&H Auto Repair, Inc. since 2015. Suite 3, the middle space, which had been occupied by AP Transmissions, Inc. since 2017, is now vacant and is adjacent to Suite 1. As such, the petitioner proposes to expand Blessing Automotive into Suite 3, which is directly adjacent to its current space. This means they would occupy two-thirds of the building instead of one third. The proposed change requires an amendment to the conditional use.

Suite 1, where Blessing Automotive currently operates, consists of a 3,720- square-foot tenant space with four service bays, a retail area with an office and kitchenette, a spray booth, a mixing room, three separate storage areas on a mezzanine level, and four off-street parking spaces. Suite 3 consists of an indoor garage area with access to the front parking area, kitchenette area, two restrooms, and two separate office spaces. The petitioner intends to utilize the existing kitchenette and separate office spaces in Suite 3 for additional storage space. There are no proposed changes to the size of the building or to Suite 2 on the far east side of the building. However, the petitioner intends to add two service bays, a wheel balancing machine, and two customer parking spaces inside the existing indoor garage area in Suite 3.

Auto repair facilities are required to provide two parking spaces per service bay, plus one space for every 200 square feet of accessory retail. As a result, a total of 12 off-street parking spaces are required for the new proposal for Blessing Automotive. Given the unique shape of the property and the small size of the outdoor parking lot, Suite 1 contains four indoor parking spaces—two for employees and two for customers—inside the open garage area. Now that the petitioner is expanding the business into Suite 3 of the building, the proposal includes adding two customer parking spaces in the indoor garage area of Suite 3. Therefore, the Site Plan proposes 13 total parking spaces on the property—six spaces inside the building and seven outside, in front of the building, including a mobility-impaired accessible space.

Blessing Automotive currently operates from 8:00 a.m. to 6:00 p.m. Monday through Friday, 9:00 a.m. to 2:00 p.m. on Saturday, and closed on Sundays. Their services include removal of damaged auto body parts; realigning car frames and chassis; patching dents and repairing minor auto body damage; and fitting, attaching, and welding replacement parts in place. Additionally, priming, painting, and applying finish to restored parts takes place inside a prefabricated fireproofed spray booth with a filtered exhaust system. During operations a total of two employees will be on site at a given time. The petitioner does not intend to change the hours of operation or expand their existing services at this time. Because of the small lot and prominent location, several conditions are being recommended by staff to continue to minimize any visual impacts.

The PZB voted 4-1 to recommend approval of the conditional use amendment request. Staff and the PZB recommend the following conditions:

- 1. A landscape area that contains at least four shrubs and one tree must be added in the area north and west of the proposed accessible parking spot prior to issuance of any building permits related to the use of the Expanded Location.
- 2. Vehicles related to the auto body repair use may not be stored or parked overnight on the surrounding residential streets.
- 3. The sidewalk along the Miner Street property line of the Subject Property may not be blocked by vehicles at any time.

Page 8 of 12 2/21/2023

4. Vehicles may not be dropped-off on the Subject Property between 6 p.m. and 8 a.m.

Moved by Chester, seconded by Oskerka, to Approve the Ordinance Z-2-23, AN ORDINANCE APPROVING AN AMENDMENT TO AN EXISTING CONDITIONAL USE PERMIT FOR AN AUTO BODY REPAIR USE AT 1300 MINER STREET, DES PLAINES, ILLINOIS (Case #23-001-CU).

CONSIDER
APPROVING A
CONDITIONAL USE
PERMIT FOR AN
AUTO SVC REPAIR
USE AT 827
ELMHURST RD
Ordinance
Z-3-23

The petitioner has requested a Conditional Use Permit to allow the construction of a new automotive service repair use, Strickland Oil, at 827 Elmhurst Road. The subject 20,099-square-foot (0.46-acre) vacant property is in the C-3 General Commercial district. An oil change business falls underneath an auto service repair use, which requires a conditional use permit in the C-3 district.

City Manager Bartholomew previously stated the petitioner requested a postponement of the ordinance.

Moved by Chester, seconded by Oskerka, to Defer to the next City Council meeting, the Ordinance Z-3-23, AN ORDINANCE APPROVING A CONDITIONAL USE PERMIT FOR AN AUTO SERVICE REPAIR USE AT 827 ELMHURST ROAD, DES PLAINES, ILLINOIS (Case #22-054-CU).

CONSIDER
VACATING A
PUBLIC ALLEY AT
1900 MANNHEIM
RD
Ordinance
M-7-23

Director of Community & Economic Development Carlisle reviewed a memorandum dated February 9, 2023.

Jorge Escobedo, owner of property at 1900 Mannheim Road, has requested that the City vacate a public alley (right-of-way) so that in the future he will have the option to construct additional parking to serve a small shopping center that currently includes an ice cream shop, grocery market, and restaurant.

The property, which is bounded by Mannheim on the east, Prospect Avenue on the north, and Chestnut Street on the west, encompasses 0.54 acres. The property consists of four parcels bisected by an unimproved 2,013-square-foot City alley. The single parcel located south of the

Page 9 of 12 2/21/2023

alley currently contains a commercial building (shopping center) with a 19-space surface parking lot. The three smaller parcels north of the alley area are currently an unimproved, grassy area, but if the owner can acquire the alley, all of the land would be connected as one zoning lot and would enable future parking lot expansion. The existing alley does not contain any utility lines. The appraisal assigns a market value of \$7,000.

Representatives of the petitioner spoke on their behalf.

Moved by Chester, seconded by Moylan, to Approve the Ordinance M-7-23, AN ORDINANCE VACATING A PUBLIC ALLEY AT 1900 MANNHEIM ROAD.

CONSIDER
APPROVING A
CONDITIONAL USE
PERMIT TO
OPERATE A
COMMERCIALLY
ZONED ASSEMBLY
USE AT 1683 ELK
BLVD

Ordinance Z-4-23

Director of Community & Economic Development Carlisle reviewed a memorandum dated February 9, 2023.

The petitioner, Jiju Mathew of the a, is proposing a conditional use to allow a commercially zoned assembly at 1683 Elk Blvd. Specifically, the petitioner is interested in using one unit of the 1665-1695 building (east building) for worship services. The church has used this property as an office space for one year and now proposes to host worship services on Sundays and weeknights after standard business hours.

1683 Elk is one unit out of six in a two-building, multi-tenant office complex (six total uses/tenants). All other tenants are classified as "office" in the Zoning Ordinance, including Ahlbeck and Company, an accounting company; a dentist office; an IT company; a video production company; and the Center of Concern, a nonprofit organization that provides housing and social services to senior and other at-risk populations.

The floor plan of the 1683 Elk unit includes office space and a common meeting area that the petitioner intends to use for worship services. The applicant requests a maximum of 49 people for the assembly use (the fire occupancy limit). The proposed hours of operation are as follows:

- 9 a.m. to 6 p.m. for hours of the office use (Tuesday through Friday; Saturday and Sunday for occasional office use)
- 5 p.m. to 10 p.m. for assembly uses on weekdays (Monday through Friday)
- 7:30 a.m. to 3 p.m. for assembly uses on Saturdays and Sundays

Generally, the hours of operation for the other tenants in this office building are Monday through Friday, 8 a.m. to 5 p.m.

Commercially zoned assembly uses for places of worship are required to provide 1 space for every 60 square feet of gross floor area. The parking lot currently includes 56 standard parking spaces and two accessible spaces (58 total) to serve the two buildings collectively. Although

the 1651 Elk (office building) adjoins 1645 Elk (Pavestone Brick Paving), Pavestone is a separate zoning lot with its own parking lot and does not use this parking area.

A minimum of three accessible spaces are required, so designating an additional accessible parking space to satisfy Section 12-9-8 is a recommended approval condition. The spaces in front of 1683 Elk have striping for a loading zone and a handicap-accessible curb but are missing some necessary striping and signage. These may be an option for the petitioner to fulfill the condition.

Staff determined the available parking for all tenants in the complex – without the proposed assembly use – meets the requirement. Adding the assembly use increases the total requirement to 76, making the parking lot 18 spaces short of the requirement without the practical ability to add more. A standard variation to reduce the total required parking from 76 to 58 was approved at the January 24, 2023 Planning and Zoning Board meeting.

The petitioner's narrative states a maximum of 35 spaces would be used in this parking lot for this use. However, it is important to note the assembly use is not proposed to overlap in hours with the other office uses. The neighboring tenants do not have hours of operation after 5 p.m. on any day of the week, leaving many spaces unoccupied. Additionally, the church requests to use the space on occasional evenings for meetings or other worship activities, intending to operate after 5 p.m. and not exceeding 20 attendees.

The PZB approved (5-0) a standard variation to reduce required parking by less than 30 percent and recommended (5-0) that the City Council approve of the conditional use permit, with the conditions provided by staff.

Recommend Conditions of Approval:

- 1. The Subject Property shall only be used for the Activities during the following times:

CONSIDER
AMENDING THE
TEXT OF THE
ZONING
ORDINANCE
REGARDING THE
VARIATION
APPROVAL
PROCESS
Ordinance
Z-5-23

Director of Community & Economic Development Carlisle reviewed a memorandum dated February 9, 2023.

Consider Zoning Ordinance amendments that would allow the Zoning Administrator to determine that Minor Variation requests, upon which the Administrator has the authority to decide, may also be escalated to be decided by the City Council.

Section 12-3-6 of the Zoning Ordinance establishes three types of variations and the procedures for each: Minor, Standard, and Major. Currently Minor Variations must be decided by the Zoning Administrator with the following outcomes: approved, approved with modifications/conditions, or denied. These variations include the following instances (paraphrased from the Ordinance):

- Vary any required front, side, or rear yard setback by no more than thirty percent (30%);
- Vary the height, type, and location of any fence (but no barbed wire may be allowed within a residential district);
- Allow replacement or expansion of an existing residential detached garage located in a residential district, or the expansion of an existing structure located within a residential district, when the replacement or expansion would not further encroach into the required side yard;
- Vary the location of accessory structures for lots that are "double frontage lots" or lots that are both "corner" and "double frontage lots" (lots at the end of a block with three street frontages), where the construction or installation of an accessory structure is between the principal structure and the street of secondary frontage (generally bordering busy or industrial streets);
- Vary the size, location, and number of parking or driveway areas as established in the
 driveway rules when a property improved with a residential single-family detached
 dwelling cannot accommodate two parking spaces within a garage, carport, on a
 surface driveway or a combination (but cannot be granted if the result is more than
 two parking spaces on the property);
- Vary the Building Design Review Standards;
- Vary the open storage requirements in the M-2 District; and
- Vary the minimum distance from a lot line for a driveway in a required yard in the R-1 and R-2 Districts or in any other district where the property has a single-family detached dwelling.

Nonetheless, there are occasional denials. While there is a current appeal option (heard and decided by the Planning and Zoning Board) under the Ordinance, a more time-efficient process in certain circumstances would be to allow the Zoning Administrator to treat a Minor Variation like it is a non-administrative application – in other words, a request that will go to the PZB for a public hearing and recommendation and subsequently to the City Council for a final vote. Although these instances are generally rare, when the Zoning Administrator believes a request is sensitive or controversial enough that those duly elected should ultimately decide its outcome, there is currently no procedural allowance for this path. The proposed amendments are intended to add this option for the Zoning Administrator.

The full proposed amendments are summarized below:

- Section 12-3-6.E.2: Procedure for Review and Decision
 - Added language to express that because of the nature of an application for minor variation, it should be decided by the City Council in accordance with the procedures for a major variation.
- Section 12-2-6: Decision Making Diagram
 - O Update to correspond with Section 12-3-6.E.2.

In the instances where a Minor Variation has been elevated to be determined by the City Council as if it were a Major Variation, notice of the public hearing to be held by the PZB (recommendation vote) will be required. What is not proposed to change is the lack of application fee for these Minor Variations. Regardless of whether the Zoning Administrator chooses to decide upon them or escalate them to be decided by the City Council, there will remain no application fee.

The PZB voted 5-0 to recommend approval.

Subject: 1425 Ellinwood Street (Bayview-Compasspoint Mixed-Use Development) – Reimburse for

Certain Graceland Avenue Streetscape Improvements Pursuant to the Redevelopment Agreement

Update: At its December 19, 2022 meeting, the City Council deferred consideration of the following authorization, which reimburses developer 1425 Ellinwood Apartments, LLC for a portion of streetscape work they have completed that is not part of their required public improvements. Since December, staff has conducted an additional inspection of the work in the relevant area and is re-adding this request for reimbursement for Council consideration.

Issue: The redevelopment agreement (RDA) between the City and 1425 Ellinwood Apartments, LLC ("Developer") stipulates that the developer of the Bayview-Compasspoint mixed-use development fronting on Ellinwood, Lee Street, and Graceland Avenue is entitled to a reimbursement for a portion of completed streetscaping improvements along Graceland.

Analysis: On June 4, 2018, the City Council approved Ordinance M-9-18, which authorized entry into an RDA with the developer. Paragraph 3 of Section 5.D of the agreement states: "The City will reimburse the Developer for the cost of constructing those portions of the Streetscape Improvements on Graceland that do not directly front on the Development Property. The City's financial obligation for the Streetscape Improvements on Graceland will be calculated as a fraction of the linear footage of frontage on Graceland Avenue not owned by the Developer." The intent was that while the developer was making improvements to segments of right-of-way that directly border the building, their work on Graceland should also extend south to Prairie Avenue – along the storefronts and building at 669-685 Graceland – to provide a consistent look for the whole block: curbs, pavers, street trees, sidewalk, etc.

The Public Works and Engineering Department (PWE) has inspected the currently completed work and calculated that \$95,736.74 is the reimbursement amount (see attached recommendation memo). However, PWE is recommending that \$85,736.74 be authorized for payment at this time, with \$10,000 retained until the department can verify the health of the streetscape trees and stability of the paver bricks once frost has left the ground. The approving resolution would allow the City Manager to authorize the release of the final \$10,000 after PWE's approval and final inspection.

City Council Action: The Council may approve R-226-22, which authorizes the reimbursement payment of \$95,736.74 to the developer, \$85,736.74 of which to be paid at this time and \$10,000 at a later date.

Cc: Jon Duddles, P.E., CFM, Assistant Director of Public Works and Engineering

Subject: 1425 Ellinwood Street, Bayview-Compasspoint, Graceland Avenue Streetscape Reimbursement

Issue: Bayview-Compasspoint has requested payment for the off-site streetscape improvements constructed in connection with their project at 1425 Ellinwood Street.

Analysis: Pursuant to Section 5.D.3 of the Redevelopment Agreement with Bayview-Compasspoint, the developer is entitled to reimbursement for required off-site streetscape improvements in front of 669 – 685 Graceland Avenue. The amount of reimbursement is based on the proportion of off-site frontage constructed (150') compared to the overall length constructed from Ellinwood Street to Prairie Avenue (444') or 33.8%. Given the overall cost of \$238,096.86, the City's cost would be \$80,476.74.

However, during the construction of the improvements in front of 669 - 685 Graceland Avenue, we directed the general contractor to reconstruct the adjacent concrete from the streetscape limit to the building fronts to properly match grades. This resulted in an additional cost to the City of \$15,260.00. Therefore, the total reimbursement to Bayview-Compasspoint would be \$95,736.74 as shown below.

Attachment 1 Page 3 of 10

Recommendation: At this time, we recommend payment to Bayview-Compasspoint in the amount of \$85,736.74. The amount of \$10,000 would be retained to verify the health of the streetscape trees and stability of the paver bricks once frost has left the ground. Release of the retention amount will occur in the spring upon satisfactory final inspection after trees have leafed-out.

workmanlike manner, with due dispatch, and within any deadlines provided pursuant to this Agreement. All materials used for construction of the Improvements must be new and of commercially reasonable quality.

- 2. <u>Contract Terms; Prosecution of the Work.</u> Developer must include in every contract for work on the Improvements terms requiring the contractor to prosecute the work diligently and continuously, in full compliance with, and as required by or pursuant to, this Agreement, the Final Development Plans, and the Requirements of Law, until the work is properly completed, and providing that Developer may take over and prosecute the work if the contractor fails to do so in a timely and proper manner.
- 3. <u>Engineering Services</u>. Developer must provide, at its sole cost and expense, all engineering services for the design and construction of the Improvements, by a professional engineer responsible for overseeing the construction of the Improvements. Developer must promptly provide the City with the name of a local Developer's representative and a telephone number or numbers at which the Developer's representative can be reached at all reasonable times.
- 4. <u>City Inspections and Approvals</u>. All work on the Improvements is subject to inspection and approval by City representatives at all times, subject to the City providing adequate notice and complying with all safety standards and measures required by Developer's contractor and insurance carriers.
- 5. Other Approvals. Where the construction and installation of any Improvement requires the consent, permission, or approval of any public agency other than the City, Developer must promptly file all applications, enter into all agreements, post all security, pay all fees and costs, and otherwise take all steps that may be reasonably required to obtain the consent, permission, or approval.

C. Installation and Connection of Utilities.

- All telecommunications and electrical service lines and connections shall be constructed, installed, and maintained underground within dedicated easement areas either depicted on the Final Plat of Subdivision or separately recorded instruments.
- No utilities located on the Development Property may be connected to the sewer and water utilities belonging to the City except in accordance with the applicable provisions of the City Code and upon payment of the connection fees required pursuant to this Agreement.
- 3. The City will coordinate and cooperate with the Developer to take such actions are necessary to assign and have rededicated the Prairie Storm Sewer Easement to the Developer to allow for the installation, reconstruction, expansion, operation, and maintenance of underground storm sewer lines connecting to the 60" public storm sewer located in the Prairie Avenue public right of way, in form reasonably acceptable to the Developer.
- D. <u>Streetscape Improvements</u>. The Developer will construct streetscape improvements bordering the Development Property including, without limitation, the installation of new granite or brick pavers, conventional sidewalks between the pavers to the curb, new curbs, and gutters, irrigation systems, underdrains, and new parkway trees, as well as sidewalk lighting

("Streetscape Improvements"). In the event that the construction of the Development results in damage, removal, or unanticipated wear on existing Streetscape Improvements previously installed by the City, the Developer will reconstruct those Streetscape Improvements on an as needed basis.

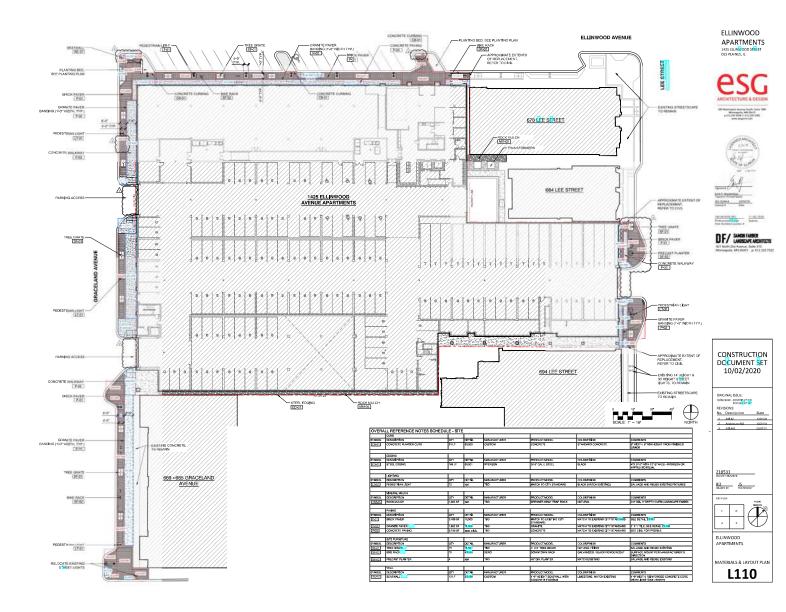

- 1. The Developer will construct, or reconstruct as may be necessary, the Streetscape Improvements for the full extent of (i) the southern side of Ellinwood Street between Lee Street and Graceland Avenue; (ii) the eastern side of Graceland Avenue between Ellinwood Street and Prairie Avenue; and (iii) the western side Lee Street from Ellinwood Street to Prairie Avenue.
- 2. The Streetscape Improvements will be constructed in accordance with plans and specifications provided by the City and conducted in full compliance with the Prevailing Wage Act (820 ILCS 130/1 et seq.).
- 3. The City will reimburse the Developer for the cost of constructing those portions of the Streetscape Improvements on Graceland that do not directly front on the Development Property. The City's financial obligation for the Streetscape Improvements on Graceland will be calculated as a fraction of the linear footage of frontage on Graceland Avenue not owned by the Developer. The Developer shall be responsible for all other costs associated with the Streetscape Improvements, including reconstructing any damaged Streetscape Improvements previously installed by the City in front of private properties not owned by the Developer along Lee Street and Ellinwood Street.
- 4. The cost of constructing and maintaining the Streetscape Improvements will be included in the Performance Security described in Section 10.

E. Right-of-Way Improvements.

#56495377v13

- 1. Grant of License. Subject to the terms and conditions set forth in this Agreement, the City hereby grants to the Developer, and the Developer hereby accepts, a non-exclusive revocable (solely in accordance with the terms of this Agreement) license, for the benefit of the Development Property, for the completion, at the sole cost and expense of the Developer, of the following improvements within City-owned rights-of-way and, as necessary, within adjacent City-owned properties, including specifically those public parking spaces located directly to the north of the Development Property on Ellinwood (collectively, the "Licensed Premises"), all as will be depicted on the Final Engineering Plan, and pursuant to and in substantial accordance with the terms and provisions of Sections 5.D & 5.E and the other provisions of this Agreement ("License"):
 - a. <u>Public Storm Sewer</u>: The construction and installation of the public storm sewer system as described in Section 5.A of this Agreement.
 - b. Resurfacing and Striping of Roads and Public Parking Spaces. After the construction of any required public utilities, as provided in the Final Engineering Plan, in the rights of way adjacent to the Development Property, the Developer shall, at a minimum, be responsible for resurfacing the one (1) traffic lane directly abutting the Development Property on Ellinwood Street, Lee Street, and Graceland Avenue or the full extent of the Development Property's frontage.
 - c. Constructing eight new on-street parking spaces along the south

RESOLUTION R - 226 - 22

A RESOLUTION AUTHORIZING REIMBURSEMENT FOR ADDITIONAL STREETSCAPE WORK ALONG GRACELAND AVENUE ASSOCIATED WITH THE BAYVIEW COMPASSPOINT MIXED-USE DEVELOPMENT AT 1425 ELLINWOOD STREET.

WHEREAS, on February 19, 2019, the City Council adopted Resolution No. R-49-19 approving the final plat of subdivision for the Bayview Compasspoint Mixed-Use Development ("Final Plat"), which consists of the properties commonly known as 1411, 1415, 1425 Ellinwood Street, 651, 653-661 and 665 Graceland Avenue and 684, 686, 688-692 Lee Street, Des Plaines, Illinois (collectively, "Subject Property"); and

WHEREAS, concurrent with the approval of the Final Plat for the Subject Property, 1425 Ellinwood Apartments, LLC ("Developer") entered into that certain Redevelopment Agreement dated as June 5, 2018 ("Redevelopment Agreement"), in which the Developer agreed to construct certain public improvements, including, without limitation, sanitary sewer, water main, storm sewer, catch basins, paving, grading and erosion control, lighting, landscaping/streetscaping, and other miscellaneous public improvements; and

WHEREAS, the Redevelopment Agreement required the Developer, as part of its obligations to construct public improvements, to construct streetscaping along the full perimeter of the proposed development, including along portions of Graceland Avenue extending south from the edge of the Subject Property to Prairie Avenue, consisting of 151 feet in length, 11 feet in width, and 1,636 square feet in area ("Additional Streetscape"); and

WHEREAS, Section 5.D.3 of the Redevelopment Agreement provided that the City would reimburse the Developer for the cost of constructing the Additional Streetscape and that the City's financial obligation for the Streetscape Improvements on Graceland would be calculated as a fraction of the linear footage of frontage on Graceland Avenue not owned by the Developer; and

WHEREAS, Developer has requested that the City reimburse the Developer for \$95,736.74 in costs incurred constructing and installing the Additional Streetscape; and

WHEREAS, the Department of Public Works and Engineering has inspected the Additional Streetscape and reviewed documentation provided by Developer confirming payment and satisfaction of all obligations to subcontractors and suppliers arising from work on the Additional Streetscape; and

WHEREAS, based on this inspection and review, the Department of Public Works recommends (i) reimbursement of Developer for its costs in the amount of \$85.736.74, and (ii) retention of \$10,000 in reimbursement funds to guarantee the health of the streetscape trees and stability of the paver bricks once frost has left the ground; and

WHEREAS, the City Council has determined that it is in the best interest of the City to reimburse the Developer for the Additional Streetscape in accordance with the provisions of this Resolution;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Des Plaines, Cook County, Illinois, in the exercise of its home rule powers, as follows;

SECTION 1: RECITALS. The foregoing recitals are incorporated into, and made a part of, this resolution as findings of the City Council.

SECTION 2: REIMBURSEMENT FOR ADDITONAL STREETSCAPE. The City is hereby authorized and directed to reimburse the Developer in the amount of \$85,736.74 for the construction and installation of the Additional Streetscape, this amount being agreed upon by the City and Developer as the real and actual costs incurred by the Developer to construct and install the Additional Streetscape, minus a \$10,000 retention which will be held by the City to guarantee the health of the streetscape trees and stability of the paver bricks once frost has left the ground, which may be administratively released by the City Manager upon approval of these final punch list items by the Department of Public Works and Engineering.

SECTION 3: EFFECTIVE DATE. This Resolution shall be in full force and effect from and after its passage and approval according to law.
