DATE

RE: Attorney Review City of Des Plaines TIF No. 6 Mannheim – Higgins Road

To Whom It May Concern:

This will confirm that I am the General Counsel for the City of Des Plaines, Illinois. I have reviewed all information provided to me by the City staff and consultants, and I find that the City of Des Plaines has conformed to all applicable requirements of the Illinois Tax Incremental Redevelopment Allocation Act set forth thereunder for the fiscal year beginning January 1, 2022 and ending December 31, 2022, to the best of my knowledge and belief.

Sincerely,

General Counsel

Attachment D Statement setting forth all activities undertaken in furtherance of the objectives of the Redevelopment Plan, including any project implemented in the preceding fiscal year and a description of the activities undertaken [65 ILCS 5/11-74.4-5(d)(7)(A & B) and 5/11-74.6-22(d)(7)(A & B)]

TIF #6 The City of Des Plaines TIF #6 District was established in October 2001, which leads to anticipated expiration is 2024. The creation of this approximately 40.5-acre District was in response to the City's desire to respond to the problem conditions within an important commercial intersection and to revitalize the area. Bonds were previously issued in 2004 on behalf of this project area to enable property acquisition, which the City completed in 2007. The Plan was initially established to promote the development of potentially four (4) new hotels, and separate redevelopment agreements were approved in 2007 and 2008 (each agreement included two hotel projects). Although the hotels did not come to fruition, a commercial strip center was completed in 2007 and has become a stable asset containing long-time, national-brand tenants: Starbucks, Potbelly's, and Rosati's Pizza.

As a result of the long-term development outlook in the general area, the City undertook an amendment to TIF #6 to remove certain properties south of Pratt Avenue into an adjacent, newly created TIF #7 (established 2014). This amendment allowed the City to evaluate new projects utilizing a lower base EAV and additional time to amortize project costs. The City enlisted the participation of the taxing districts through an intergovernmental agreement as part of the TIF #7 designation.

In 2022, staff learned of redevelopment interest for a multi-restaurant development on the site of an existing banquet hall on the northeast corner of Mannheim Road and Pratt Avenue, which lies in the current TIF #6. However, while this development would likely lead to an increase in EAV, the project is not yet entitled, and it is unlikely its construction and new assessment would be effective before the District expires.
